BURN PERMITS

NEW PROCEDURES COMING SOON WITH burnpermit.com

The Township is currently in the process of setting up the process of issuing burn permits online at burnpermit.com. Starting October 2023, burn permits will be required and residents will be able to obtain burn permits both online or in person at the Township Office.

More information can be found on the Township website, Facebook page and will be provided in the October Newsletter. This will be a short trial run for 2023 as permits are only required until October 31, 2023.

We are hoping to work out the kinks of this new system before the start of the next burn permit season starting April 1, 2024.

Horseshoe Tournament and Beach Day!

The Township of Chisholm Recreation Committee would like to say a big **THANK YOU** to everyone who participated and volunteered at the Horseshoe Tournament & Beach Day this year. The day was a great success and raised \$192 for the Powassan Food Bank along with a box of food donations.

Congratulations to our Horseshoe Tournament winners, David McLean and Tania Filippetto!

**TEST YOUR SMOKE ALARM DAY IS
THURSDAY, SEPTEMBER 28, 2023!**

Thursday, September, 28, 2023, is Ontario's First Test Your Smoke Alarm Day. Last year there were 133 fire fatalities in the province – the most in 20 years. As part of Test Your Smoke Alarm Day, all Ontarians are encouraged to learn more about smoke alarms, fire safety, and home fire escape planning, which can save the lives of you and your loved ones. Most importantly, we want you to test your smoke alarms!

Members of the fire department will be making fire safety visits and answering any questions you have. Having working smoke alarms in your home is the single most important thing you can do to protect your family from fire. Smoke alarms save lives. Chisholm's firefighters have seen it firsthand.
