### CLEAN FIRES MAKE FOR HAPPY NEIGHBOURS

The Chisholm Fire Department has been fielding complaints from the Lake Nosbonsing area about open burning that is producing heavy smoke on occasional weekend evenings. Although the location is not obvious for viewers from the north, it may be coming from Chisholm.

Chisholm's Burning By-law prohibits the burning of "industrial waste, agricultural waste, domestic waste, petroleum products, rubber, painted lumber, mixed demolition debris or anything else that will cause excessive smoke or fumes." Landowners can be charged if their outdoor fires cause "any odour which causes discomfort to any person residing in the area."

When burning, please be a good neighbour: keeping your fire clean, and burn safely.
