### MESSAGE FROM FIRE CHIEF, RAY FORD

Emergencies are not just a problem for other folks, Chisholm experiences flooding and heavy rainfalls, prolonged hydro outages and forest fires, too. That is why you need a plan for severe events, and a 72-hour emergency kit to help you hunker down at home, or move to a better location when it is safe to do so. Be ready to survive on your own for at least three days by stocking an emergency kit including:

- Cash
- Water
- Flashlight & batteries
- Manual can opener
- Emergency plan and contact info.
- Battery-powered or wind-up radio
- Extra keys
- First aid kit
- Food
