#### EMERGENCY GENERATOR SAFETY

Winter power outages can be a fact of life in rural areas like Chisholm. If you rely on a generator to supply emergency power, remember these safety tips:

- Keep the unit dry and protected from rain, and operate it in a dry place. Never use a generator in a flooded basement.
  - Carbon Monoxide (CO) is an odourless, poisonous gas produced by combustion. Prevent CO poisoning by operating your generator outside and well away from windows and vents.
  - Ensure you have a working CO alarm that is audible from all sleeping areas of the home. If your CO alarms are hard-wired into the home's electrical system, add a battery powered backup alarm.
  - Ensure your generator's exhaust port is a safe distance from flammable items.
  - Never refuel a hot, running generator. Turn it off and let it cool.
- Now is a good time to give your generator a pre-season tune-up. Keep fresh fuel in the unit and run it periodically to make sure it's ready when you need it.

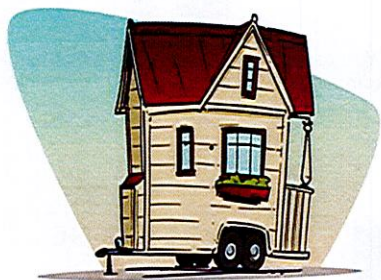

#### Taking Care of Our Own

In case of emergency.... we are here to support our community members. Should you or a family member, who resides in Chisholm possibly need additional support during an emergency please call the office and have us add your name to our Emergency Priority List.

With Christmas fast approaching, The Township of Chisholm will be collecting food donations for the local food bank, and donations can be dropped off at the Municipal Office, Monday – Friday 9:00 a.m. – 4:30 p.m., with a deadline date of **Friday, December 17, 2021.**

### DID YOU KNOW??

Did you know that Tiny homes are not permitted in the township? Tiny Homes do not comply with the Ontario Building Code. Some of the reasons for tiny homes not meeting the building code

are: 1.) Insufficient insulation, 2.) Minimum room sizes can not be met, 3.) Plumbing issues and 4.) The fact that it is built on a trailer chassis (even if put on a foundation). According to section 4.11 of the Zoning By-law "No dwelling unit shall have a ground floor area of less than 70 sq metres (which is approximately 754 sq ft).

Did you know that trailers are not allowed on vacant land? Section 4.27 of the Zoning By-law states that "No trailer or camper may be used in any zone for permanent or temporary accommodation, unless specifically authorized in the By-law through a use permission in Section 6.0 or through a zone exception in Section 8.0".
