CHISHOLM FIRE DEPARTMENT

Chisholm's Fire Department reminds you to be prepared for winter power outages.

Despite the balmy temperatures last month, winter really is on its way. Before ice, wind, and snowstorms knock out the power and put the chill on your home, be ready by tuning up your generator and cleaning your wood stove's chimney. It is also a good time to ensure you have the following:

- A good supply of batteries and three day-supply of drinking water, along with battery-powered lamps and flashlights;
- A solar charger for your cell phone;
- Working smoke and carbon monoxide alarms;
- A battery-powered radio, and;
- Your neighbour's phone number. An extended outage is a good time to check on neighbours and offer help.

Lest we forget

The office will be **CLOSED** on Friday, November 11, 2022 for Remembrance Day.

In Flanders fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the Dead.
Short days ago We lived, felt dawn,
Saw sunset glow, Loved, and were loved,
and now we lie In Flanders fields.

Update on Collection of Agriculture Plastic Wrap Pilot Project

The Township of Chisholm worked with OFA and NOFIA as part of a pilot project to collect agricultural plastic. Chisholm was the only municipality who participated in the pilot project. Council had agreed to purchase the press to hold and compact the plastic. Our goal was to keep the plastic out of the landfill. We are happy to announce that 12 plastic bales have been picked up and will be shipped to an Ontario business who will be recycling the plastic into a new product.

Thank you to all the farmers who participated. We will continue to collect bale wrap as long as there is an end user to process it.
