2023-2024 LANDFILL PASSES

We are currently working on the passes, and are hoping to have them ready for pick up/exchange at the landfill by the second week of October. A notice will also be posted on Facebook at <https://www.facebook.com/twpchisholm/> once they are ready.

Please be advised that your current 2022-2023 passes are still valid.

BY-LAWS

At the October 24th, 2023 Regular Council meeting, Council will be discussing amendments to the Council Conference Attendance By-law and the Building By-law to regulate the administration of building permits and related matters.

PIONEER BRIDGE REPLACEMENT UPDATE

We were advised by the contractor that they are approximately 2 weeks behind schedule for the bridge replacement because of supply issues, and it is expected to reopen approximately the second week of October (fingers crossed!!).

VILLAGE ROAD – UPDATE!

Village Road is being hard surfaced on Friday, September 29, 2023. The road will not be closed but **there will be delays**. Please avoid the area if you can.

BURN PERMITS ARE NOW REQUIRED NEW PROCEDURES

The Township has started a new way to issue burn permits. Starting October 1, 2023 residents can go online to register and obtain a Burn Permit. For those who do not have internet access they can obtain a permit at the Township office in person or call the office (705-724-3526) and obtain one over the phone.

Please visit <https://chisholm.burnpermits.com/> to set up your account and obtain a permit.

For more information on burn permits please visit our website at <https://chisholm.ca/en/municipal-services/fire-department>.

FIRE PREVENTION WEEK – OCTOBER 8 – 14, 2023

This Fire Prevention Week, Chisholm's Firefighters ask you to "stand by your pan"!

Cooking-related accidents are a major cause of household fires and injuries. To mark Fire Prevention Week, October 8-14, 2023, the Chisholm Township Fire Department offers these tips to make your Thanksgiving Day feast – and every meal – a safe and happy occasion.

- Stand by your pan: Turn pot handles towards the back of the stove, so hot food does not accidentally get knocked off the burners.
- Watch what you heat: Stay in the kitchen, especially when you are frying, grilling or broiling food. If you have to leave, turn off the stove. If you're baking or roasting in the oven, set a timer to help you remember to check it.
- Keep a one-metre "kid-free zone" around the stove and areas where hot food is being prepared and carried.

Remember to maintain working smoke alarms and have a plan to leave your home if a fire breaks out. Installing and testing smoke and carbon monoxide alarms is the single most important thing you can do to safeguard loved ones from fires and dangerous fumes.

***NEW* WATER RESOURCES PAGE ON WEBSITE**

The township acknowledges the importance of a healthy watershed and is sharing some resources on a page on our website. Please go to <https://chisholm.ca/en/community/water-resources> for more information.
