- 3.0 Notification of Acceptance of Tender will be by telephone and written form of notice, to the address of the Contractor used on the bid forms. The Date of Acceptance shall be deemed to be the date of receipt of the Acceptance Notice by the Contractor.
- 4.0 A tender may be voided by superseding it with a later quote or letter of withdrawal, prior to the closing date and time.

TENDER REQUIREMENTS:

- 1.0 A certified cheque, made payable to the Township, in the amount of 10% of the total tender must be submitted with the tender, for deposit purposes. Deposit cheques of unsuccessful bidders will be returned when a contract has been executed with the successful Contractor. The cheque of the successful bidder shall be retained until the Township's acceptance of the completed work, and the municipality is satisfied that the pit is left in a satisfactory condition.
- 2.0 The successful bidder may file with the Township, a completed Performance Bond. The Bond shall be signed and sealed by a recognized bonding company, in the amount of 100% of the total estimated tender. Upon receipt of such a bond, the Township will return the Contractor's tender deposit cheque.
- 3.0 The Contractor shall indemnify the Township, its officers, employees and agents from all claims, demands, actions or other proceedings initiated by others arising out of or attributable to anything done or omitted to be done by the Contractor, its officers, employees or agents in connection, with the services performed or required to be performed under this Contract.

The Contractor shall maintain a policy of motor vehicle liability insurance for both owned and non-owned licensed vehicles having limits of not less than \$5,000,000.00 inclusive per occurrence for bodily injury, death, and damage to property.

The Contractor shall maintain a policy of general liability insurance having limits of not less than \$5,000,000.00 inclusive per occurrence for bodily injury, death, and damage to property.

The general liability policy shall include the Township as an additional insured, but only in respect of and for the duration of the services to be performed under this contract and shall contain a cross liability clause endorsement.

Prior to the beginning of the Contract the contractor must provide proof of insurance (certificate of insurance or certified copy of policy) to the Clerk of the township. Please provide the following information for tender purposes.

POLICY NO.: _____ **INSURANCE CO.:** _____

AMOUNT: _____ **EXPIRY DATE:** _____

- 4.0 The Contractor shall deliver proof of Workplace Safety and Insurance Board coverage, within ten (10) calendar days of receiving the Contract Agreement from the Corporation.

- 5.0 The Contractor will obtain the sand from the Township's Fossmill Pit located at Lot 23, Concession 6 (across from Waste Disposal Site located at 201 Fossmill Road).
- 6.0 The Contractor shall comply with all Ministry of Labour, and Occupational Health and Safety Regulations, and shall provide proof of surface miner core certification, and shall be responsible for leaving the pit in a condition satisfactory to Ministry of Labour Regulations, and shall notify appropriate authorities of the contract to be undertaken and forward a copy of the notice to the municipality.
- 7.0 The salt will be supplied by the Township of Chisholm; the mixing of the salt with the sand will be done by the Contractor.
- 8.0 The Contractor will be required to enter into a contract with the Township for the work. (Sample provided on website)
- 9.0 The work shall be completed between August 4th, 2020 and August 31st, 2020. If the time limit above is not sufficient to permit completion by the Contractor working a normal number of hours, the Contractor shall make changes to permit the work to be completed by the above date. Additional costs incurred shall be deemed to be included in the price bid for the works. If the work is not complete by the above date, or by an amended date allowed by an approved extension of time, then the Contractor agrees to pay the Municipality a sum of \$150.00 per calendar day, for each day's delay in finishing the work, as liquidated damages.
- 10.0 It is agreed that the tender quantities are estimated only and may be increased or decreased by 10% by the township without alteration of the tender price by cubic meters.
- 11.0 For the unit price bid the contractor shall perform his work in such a way as to cause the least possible inconvenience to the traveling public and shall provide all necessary warning signs and flagmen or other protective and/or warning devices.
- 12.0 For the unit price bid the contractor shall supply all labour, tools, equipment and all other things necessary to complete the work in accordance with these contract documents and to the satisfaction of the Public Works Supervisor or Alternate.
- 13.0 Measurement for payment shall be made in cubic meters by truck box measurement and tickets for each load will be issued. The volume of materials will be measured loose by predetermined truck box capacity. Loading of each truck shall be kept to not less than the predetermined capacity. A load ticket will be issued for each truck load, with the cubic meters for payment shown. If a dispute arises regarding the amount of material being placed in the truck box, it is the truck operator's responsibility to level the load to determine if the load meets the predetermined capacity.

- 14.0 **Excess Loading of Motor Vehicles**: Where a vehicle is hauling material for use on the work under the contract, in whole or in part upon a public highway and where motor vehicles registration is required for such vehicle, the contractor shall not cause or permit such vehicle to be loaded beyond the legal limit as specified in the Highway Traffic Act, whether such vehicle is registered in the name of the contractor or otherwise, except where there are designated areas in the contract where overloading is permitted. The contractor shall bear the onus of weighing disputed loads.
- 15.0 The Municipality will provide a checker as required at no cost to the Contractor.
- 16.0 Deposit cheque will be released when the township has accepted the work as complete, and the township is satisfied that the pit is left in a satisfactory condition.
- 17.0 Stockpiling shall be done by conveyor belt, using a stacker of a minimum of 100 feet, provided by the Contractor.
