**MESSAGE FROM THE FIRE CHIEF
BE FLOOD AWARE!**

The recent flash floods and storm damage in Calvin Township and the Magnetawan area shows flash flooding can definitely happen in our neighbourhood. If heavy storms cause flash floods in your area, avoid walking or driving into moving water (there may be a washout or sinkhole you cannot see) and follow these tips from Emergency Management Ontario:

FOOD DONATIONS

The Powassan Food Bank is always looking for donations, and with school just around the corner (yes already!), the Chisholm Office will be collecting food.

PHRAGMITES

Phragmites Fighters are working locally to map areas of concern and plan for the removal of phragmites stands - but volunteers, and public education are necessary to assist with the large-scale project.

For more information visit:

Please contact Denny Sharp at dennysharp1000@gmail.com if you are interested in volunteering locally.
