## SNOW REMOVAL BY-LAW 2019-28

Please remember that no person shall, unless authorized ... "deposit or cause to be deposited any snow or ice upon any portion of any road or bridge located within the limits of the Township".

A complete copy of this By-law can be found on our website at <https://chisholm.ca/en/your-government/policies-by-laws>.

## POWER OUTAGE SAFETY

Power outages can happen at any time. Whether you are without power for minutes, hours or days – stay safe with the tips below!

Keep your emergency preparedness kit stocked. Make sure you have portable sources of light (flashlights, candles, glow sticks), extra batteries, and non-perishable foods and lots of potable water.

There may be downed/live power lines in your area. Keep yourself and others at least 10 meters away (about the length of a school bus). Be careful even wires that have been down for several days could still be live.

Stay food safe! Keep refrigerator doors closed during outages to preserve food. Never use charcoal or gas barbeques, camping stoves or generators indoors.

Know when to go. If your home gets too cold or too hot and you are able to leave, head to an alternative location until it is safe to return. Take all household members (including pets) with you.
