### PHRAGMITES

Phragmites Fighters are working locally to map areas of concern and plan for the removal of phragmites stands - but volunteers, and public education are necessary to assist with the large-scale project.

For more information visit:  
<https://www.ontario.ca/page/phragmites-fact-sheet>

Please contact Denny Sharp at [dennysharp1000@gmail.com](mailto:dennysharp1000@gmail.com) if you are interested in volunteering locally.

### CHISHOLM TOWNSHIP FIRE DEPT. FUNDRAISER TOTALS

Thank You, Chisholm!

We want to extend a heartfelt THANK YOU to our amazing community for your generous support in helping the Chisholm Fire Department raise funds for Muscular Dystrophy Canada and Camp BUCKO.

Because of your kindness, we were able to help support muscular dystrophy and burn survivors in ways that truly make a difference. We could not do it without you—your donations, encouragement, and community spirit. From all of us at the Chisholm Fire Department, thank you for standing with us!

Camp Bucko: \$664.25  
Fill the Boot: \$2,119.25

Thank you to the Chisholm Recreation Committee for hosting a barbecue and the Auxiliary for helping with their own fundraising.

### MESSAGE FROM THE FIRE CHIEF FIRE PERMITS – THEY ARE A BARGAIN!

Looking for a fantastic deal? Chisholm's fire permits are a major money saver. Not only is a fire permit **FREE** (and available online at [chisholm.burnpermits.com](http://chisholm.burnpermits.com) or by calling the township office), following the permit's instructions will save you piles of cash.

How? Obtaining a permit and following its instructions means your fire is far more likely to *stay where you want it to* – dramatically reducing the chances of a runaway blaze.

As a bonus, by burning safely you will not have to worry about the penalties in the township's Open Air Burning By-Law. If you fail to get a permit and your fire has to be put out by the fire department, the department can invoice landowners at the same rate the province pays for highway calls. **Right now, that's \$570.50 for the first hour for each heavy truck responding** (and we usually send two heavy trucks, the pumper and tanker).

Instead of forking over this cash, we would like you to get a permit and burn safely. That includes burning after 6:00 p.m. attending the fire, keeping tools and water handy to control the fire, and avoiding fires during excessively windy conditions or when there's a fire ban in place. For the full details, look up By-Law 2022-05 on the township website.

### ANDERSON SCHOLARSHIP

Applications for the Anderson Family Scholarship are now being accepted for students graduating secondary school 2025.
